our fun!

Spring Has Sprung!

During the winter months, our club rolled up our sleeves and got to work. We were tired of the lack of horse related activities in our area and were ready to make our own!

We value horsemanship in all equine related areas. Because of this belief, we were looking to build a club not of one specific discipline, but rather wanted to appeal to everyone. This is where we will be looking for your help. None of us are experts at everything, but we believe that collectively using our resources, we have a lot to offer one another.

If anyone is interested in volunteering their time or ideas to the club, we'd appreciate it! Each month we will provide you with a newsletter to keep you informed of upcoming events and news.

Balls for Barrels Kickball Tournament

Winners of the 1st annual "Balls for Barrels" Kickball Tournament

On February 27, we held a benefit kickball tournament for our horse club at the Moose Lodge in Potsdam. We were able to raise over \$2,000.00 for Equine Addiction. We did this through the team registrations, raffled items, food stand, and a 50/50 raffle. The 50/50 winner received \$206.00!

Contestants and spectators had a blast and have insisted that we make it an annual event.

We had live entertainment by Ben Todd, Todd Truax, and the Snell family.

Many prizes were raffled and our trophies were a hit

Trail ride

Come and Join us in the Fun!

"Life should not be a ride to the grave with the intention of arriving safely in a well preserved and attractive body, but rather to skid in sideways, body thoroughly used up, totally worn out, and screaming "WOO HOO" what a ride!"
